Hi Everyone,

On behalf of the Board and Congregation of West Henrietta Baptist Church I extend an invitation to you to attend the *Rededication Service of our Church, on Sunday, October 29, 2023, at 10:00AM.*

I previously said in our October Newsletter that the renovation of our church was necessary, but it is not primary to our ministry. Making disciples, winning souls for the kingdom of God, worshipping our Lord Jesus Christ, and sharing the Gospel in incarnational ways must remain the priorities. The Rededication Service is our desire to glorify God for all His blessing to make all this work possible.

In this regard, our worship will be enriched by your participation. Our celebration will include the morning worship service and a fellowship time with food and beverages to be provided by the church. We are looking forward to a positive response.

Yours faithfully,

Rev. Dr. Peter E. Grinion, Pastor
